

Water is essential for life.
It is also an increasingly critical local and regional issue. Attend this course to learn the fundamental information that property owners need to know about their water rights. Presentations include types of water systems, groundwater well exemptions, and how to sell, buy, or transfer a water right.

This course is appropriate and approved for all real estate professionals. The general public is also invited to attend.

- Date:** Thursday April 2, 2009
Time: 8:30 am to 4:30 pm
Fee: \$110 for 7.5 clock hrs
Lunch, morning refreshments and course materials included in fee.
Place: Puyallup Research & Extension Center
Directions sent prior to class
